NRA Basic Pistol Course 2010

THE COURSE:

- This is a basic pistol course for individuals who want to learn more in depth and gain more hands-on experience with the pistol..
- NRA Basic Pistol Course teaches the basic knowledge, skills and attitude needed for the owning and use of a firearm safely. Students will learn about the firearms parts and operation, ammunition, gun safety and handling, and selection a firearm and much more.
- Textbook and course materials are provided (as well as a test!)
- Hands-on learning opportunities will occur in the following areas:
 - Firearm safety
 - Firearm parts and operation
 - Ammunition and its function
 - Shooting fundamentals and development
 - How to select, clean and store a firearm
 - Review of activities available to develop and improve shooting skills

The Ripon Rifle and Pistol Club will offer the Official NRA Basic Pistol Class to members and friends. The purpose of the class is to teach the basic knowledge, skills and attitudes necessary for the safe and proper handling an use of pistols. The class will be taught by Ed Schilling and Gay Trepanier.

Class Time: 0800 to 1700

Location: Ripon outdoor range

When: **Sunday, May 2, 2010**

Equipment needed: Any pistol (preferably one you want to use in the future), eye and ear protection, a baseball style cap and a good attitude. (Pistols will be available to try)

Ammunition: 150 rounds of appropriate ammunition for the pistol you are bringing.

REGISTRATION: Call 920-602-0080 or email gdtrepanier@yahoo.com. You **MUST** pre-register so that we will have appropriate materials and staff available.

Cost: \$50 for Ripon Rifle and Pistol Club members; \$60 for non-members. (may pay at the range)
