

Introduction To Cowboy Action Shooting

Always wanted to be a Cowboy or Cowgirl? Here's your chance to learn all about the fastest growing shooting sport in America.

Sunday May 16th 8:30 AM
Ripon Rifle and Pistol Club

Cowboy Action Shooting is a timed event using six-shooters, lever-action rifles, and shotguns to shoot steel targets, all the while dressed in your favorite Western finery.

We will explain rules (governing body is the Single Action Shooting Society—www.sassnet.com), procedures, and pretty much how to go about having fun in this sport.

If you have a (or two) single action revolver, lever action rifle (in a pistol caliber), and/or shotgun (side-by-side or model '97), bring them along. If not, we'll have plenty of loaners and ammo to use.

Tuition is \$30 donation to the Safe Shooting Sports Foundation (tax deductible).

Call Doc Bonecutter (920) 748-2553 or e-mail him at jwmkc@charter.net
