

## Shooting Sports Instructors' Training Seminar

Saturday, December 11, 2010  
at DePere Sportsmen's Club

The DePere Sportsmen's Club Junior Rifle Program would like to invite you to a unique training opportunity for Shooting Sports Instructors.

This seminar will provide detailed training in three position rifle shooting (prone, standing and kneeling) through classroom and hands-on range education as well as reviewing range safety and how to create learning opportunities while on the range.

The seminar will use sporter air rifles as the training equipment as well as all the equipment required in an air rifle shooting competition. We will also provide lessons learned on equipment maintenance, purchasing equipment for your program, fund raising, lesson planning and team building.

The course will be taught by certified instructors and coaches from the DePere Sportsmen's Club Junior Rifle Team. Current members of the Junior Rifle Team will also act as demonstrators and provide training techniques learned from various shooting camps that they have attended around the nation.

Members of the program have participated in and distinguished themselves at local, state and national competitions such as State and National 4-H Shooting Sports Competitions; local, regional and sectional NRA, CMP and USA Shooting competitions, Wisconsin indoor and outdoor championships, Junior Olympics and the National Rifle Championships.
